IT'S ALL ABOUT THE GOSPEL!

Millions have heard the gospel throughout the United States, Canada and the territories of Puerto Rico, the U.S. Virgin Islands and Guam because Southern Baptists have sacrificially given through the Annie Armstrong Easter Offering® for North American missions.

The spiritual needs in North America remain as great as ever. The demographics continue to change. The culture is rapidly secularizing. Entire regions that were once strongholds of Christian thought are now deemed post-Christian.

Approximately 363 million people live in North America, and it is possible that 75% of those people do not have a personal relationship with Christ. The presence of Bible-teaching, Evangelical churches has been waning, especially outside the South.

Along with the intense spiritual need, there are immense physical needs as well. Missionaries strive to reach out to refugees and internationals, assist those in poverty, reach out to those caught in human trafficking and serve children through foster care and adoption—all while remaining focused on sharing the hope of the gospel.

Every gift to the Annie Armstrong Easter Offering — 100 percent — goes to train, resource and deploy thousands of missionaries involved in church planting and compassion ministries. Together we make a difference by meeting needs, planting churches and discipling new believers. Transformation is taking place one life at a time.

Special prayer guides will be included in this week's bulletin. Please use them in your daily devotional time. Please consider what you will give to the Annie Armstrong Easter Offering as we seek to reach the people of North America.
